Carmichaels Area Jr.-Sr. High School
300 West Greene Street
Carmichaels, PA 15320

Carmichaels Area High School is a small school located in southwestern Pennsylvania with approxiamately 569 students in the Junior — Senor High. This years seniors will undoubtedly be remembered for many years to come at C.A.H.S. for many different reasos. The Band has taken several victories such as the Buckwheat and Laurel Highlands festivals. This years Coal Queen representative was also chosen to reign as this years Coal Queen. The Mikes have had a good athletic year, as many of our teams went to many playoffs. These are just a few examples of our talented students that has instilled a sense of pride in all of us.

As our Senior year comes to an end, we will always remember the happenings that went on. Our thoughts will surely take us to the crowded halls, the pep rallies, the assemblies, the football games, and everything else that we have experienced as the Seniors of 1994.

When the Graduation ceremony comes to an end, we will all go our separate ways. One thing we will have to remind us of our high school days is this yearbook.

Senior Night 1994

Looking Through The Eyes of Love

This year Homecoming was held on October 1. The week of September 27 through October 1 was Spirit week at Carmichaels Area High School. Monday was cartoon T-shirt Day, Tuesday was Hat or Bandana Day, Wednesday was Western Day. Thursday was College Sweatshirt Day, and Friday was Blue and Gold Day. The highlight of the week was the parade of the Homecoming Court and the Queen. The lucky girl selected as Homecoming Queen this year was Corey Coruso. This year the crown bearer was Brian Berdine and the flower girl was Andrea Swestyn. Five members of the football team took part in congratulating Corey. Rick Gency gave her red roses, Jack Waggett gave her a football signed by the entire football team. Todd Maskil and Brett Fields crowned Corey, and Punky Koratich gave Corey a KISS!! Even though we lost the game against Jefferson-Morgan, Homecoming night was still a success!

Graduation Night '94

Graduation night was a much anticipated night this year for 83 seniors.Through no one's fault except nature graduation was pushed back until June 10.A very bad winter created much chaos over when graduation would be held.However as family and friends made their way into the gym and the seniors prepared for the ceremony to begin everything was running smoothly.Nikki Voytek began the ceremony with the invocation.Guest speaker Robert Orlosky told the graduates of the many changes and challenges they will now face in life.Superintendent, Jim Zalar, then spoke to the seniors.After a brief speech by Mr. Zalar the four Valedictorians Jennifer Malinosky, Kelly Cunningham, Melissa Jones, and Jennifer Giocondi and the Salutatorian Eugene Kovach presented their speeches to their fellow classmates.After a few songs were performed it was time to receive the diplomas.Class President Ralynn Lund called the graduates on stage for their big moments.Mr. Caruso handed out the diplomas and now it was time for the graduates of 1994 to start a new journey in life.

Mighty Mikes Football '93

The Mikes had a tough season this year.They ended up with a record of 2-8 overall but without question played the hardest schedule in the Tri-County South Conference this year.Seven out of the ten Mikes opponents were ranked in the Top 10 in the W.P.I.A.L atleast once this year.Despite the hard road that was ahead of them at the beginning of the season they went out with high hopes.Although they only won two games they played all of their opponents tough until the game was over.The Mikes two wins were over conference rivals Mapletown and California.The most important thing to remember is it's not whether you win or lose, it's that your still a Mighty Mike.
